

Grampian Hospitals Art Trust enhances the experience and wellbeing of all who spend time in NHS Grampian premises by promoting enjoyment of and participation in high quality artistic activity and the provision of a sympathetic and pleasing visual environment.

To raise awareness of the organisation and to raise much needed funds for it, The Friends of Grampian Hospitals Art Trust have created “Postcards from Home – Seasons”, an online art exhibition and sale of original postcard size pieces of art.

Over 100 professional and amateur artists from near and far have contributed over 260 stunning artworks which will be available to purchase for £30 each. The twist is the buyers won't know the identity of the artists until they receive their purchases.

The virtual online gallery can be found at www.friendsofghat.gallery
